

bike 'n Ride

*Now you can enjoy
the convenience of
Pueblo Transit's
Bike 'n Ride program!*

Six Steps for Using the Bus Bike Rack

Remember that PUEBLO TRANSIT is not responsible for any damages to your bike so be sure to load your bike securely onto the rack as follows:

- Step 1** When the bus arrives at your stop, indicate to the driver that you will be loading your bicycle onto the rack.
- Step 2** To release the rack, squeeze the center handle and slowly lower it.
- Step 3** Place your bicycle into the rack's wheel, making sure that the front wheel is placed on the side labeled "front wheel."
- Step 4** Pull up and out on the support arm and hook the arm securely over the top of your front wheel.
- Step 5** When you reach your destination, notify the driver that you will be unloading your bicycle and use the front door to exit the bus.
- Step 6** If you are the last person to unload your bicycle, please return the rack to its upright position.

**Call Pueblo Transit for additional information:
